# *Alma Mater*

Now fixed on thee our hopes repose  
O Marion, dear Marion.  
May every year new good disclose,  
O Marion, dear Marion.  
Through all the garish lights that gleam  
To lure us from the paths of truth,  
Thy greatness shineth like a beam  
Of one fair star, O Marion.

O may a grander music wake  
Within thy walls, O Marion,  
And all thy joyful echoes wake  
O Marion, dear Marion.  
While every faithful daughter calls,  
"Grow greater with each passing year,  
Enlarge thy bounds, enrich thy walls,  
Dear Marion, our Marion.

So may thy noble beauty grow,  
O Marion, dear Marion.  
More stately as the seasons go,  
O Marion, dear Marion.  
We know thou'l rest unshaken still  
Though many storms around thee blow;  
Firm-based thy mission to fulfill  
We honor thee, dear Marion.

The Class of '50 is small but has done its part in carrying out Marion traditions by taking an active part in Y. W. C. A., Athletic Association, Phi Theta Kappa, Home Economics Club and all other organizations. Our members represented six states and Venezuela.

Our class is proud and grateful to have had Miss Mary Preston Sheffey as its advisor. Miss Sheffey, being an alumna of Marion College,

was well qualified to guide us in our social affairs and give us advice when needed most.

We will always remember our days at M. J. C. The life on senior hall, waiting for mail, taking care of Senior Store, the camping trips, Purple and Gold contests, and more serious things such as chapel programs and candlelight meditations will always be in our store of memories. We are proud to have been a part of you, "Dear Marion."

From the first day we juniors arrived at Marion College, we were delighted by the friendly atmosphere surrounding us, making us feel as though we belonged to a large family. The spirit of Marion was shown through the new experiences in the dormitory, classrooms and various activities.

Under the guidance of our advisor, Miss Virginia Wall, our year as a class began when

planning the Junior Dance, "Dreamer's Holiday." During the year we participated in the activities of various organizations. We ended a successful year in May by sponsoring the Mother-Daughter May Day Program in honor of the seniors.

As we look forward to our senior year, we shall always cherish in our hearts the memories of our junior term.

Seven has always been considered a lucky number, and we should be the last to disagree. Our seven high school seniors may be minor "tornadoes" and human "noisemakers," but with their irresistible high spirits and generous natures, and even despite their mischievous pranks, we consider them a vigorous and welcome addition to our Marion College life. Our lucky seven have worked harmoniously together under the direction and with the support of Miss Sophie Fischel, class sponsor.

The high school seniors, together with the juniors, cooperated to give us one of the best dances of our social season, our informal spring dance.

The following organizations have been strengthened through the participation of various members of the senior high school class: The Footlight and Fantasy Club, Girls' Athletic Association, the Cheerleading Squad, Student Council, the HATCHET and the Squib.

While the Junior High School class is the smallest in number, it does not lack for enthusiasm and school spirit. Its four members are Doris Cox, our vivacious redhead from Pennington Gap; Violet Custis, our petite, serious-minded Virginian from Nassawadox; Billy Waldrop, our "Yankee" from Bowie, Maryland, and Mary Doswell, from Richmond, Virginia, who joined us at the beginning of the second semester.

Full of energy and pep, these girls have contributed their time and talents toward making Marion their "home away from home."

Holding first place among the organizations at Marion College is the Student Council, consisting of a president, vice president, secretary, treasurer and Y. W. C. A. president, who were elected at the close of the previous school year; and class and non-resident representatives, who were sworn in soon after our school term opened.

The aims of this council are to uphold student honor, enforce all rules without partiality, and maintain the respect of both students and faculty. Adding new rules and changing old ones when it saw the need, this 1949-50 governing body successfully carried out its aims. To its members each Marion student owes great appreciation for a wholesome and worth-while year.

# *Student Honor Court*

LEAH BONHAM ..... *Chairman*

The organization upholding Marion College ideals and standards is the Student Honor Court. This Court maintains justice in the Student Honor System and deals with special cases given it by the Student Council.

An amendment, stating that any girl brought to trial before the Honor Court and

found guilty should be removed from any office which she might hold, was passed by the 1949-50 Court.

Membership in this Court is considered one of the outstanding honors on the campus. The three members of the Court were Leah Bonham, Betty Bagwell and Alice Carr.

Take a group of young writers; season liberally with young ideas and mix in plenty of enthusiasm. Add a small dash of genius and blend in patience and plenty of hard work. Mix well, and add a bit of college flavoring. Place mixture in moderately heated pressroom for two days. Results: Over one

hundred servings of Marion College *Squib*, the quarterly newspaper.

This recipe was improved in 1949-50 and is now regarded as standard. We hope the future *Squib* "cooks" will be as amply supplied with ingredients as were those in 1950.

# *The Hatchet*

THE HATCHET at Marion College is our yearbook publication. Represented on the staff are students from the high school and junior and senior college departments.

Soon after the entire staff was selected in September, preparations for our book were started. Our page plans were drawn up and solicitation for advertisements and subscriptions begun.

Of course we had our bad days when ads and subscriptions came in slowly and when

we thought we could never finish the "dummy" by the deadline date. However, with our school backing us and with encouragement from our advisor, Miss Virginia Wall, we kept working and slowly but surely our HATCHET took shape.

Although we had our trials, we enjoyed every minute spent in work on our annual. To each of you the staff wishes to say, "Thank you" for making this publication possible.

The Young Women's Christian Association was one of the most active organizations on the Marion College campus. Weekly meetings were held in the parlors at which time religious, social and personal problems were discussed.

The first function of the Y. W. was to aid in the orientation program. During the

year the Y. W. sponsored dances, weekly candlelight meditations, the Kid Party, Capsule Sister Week and birthday banquets.

The meetings and other activities were planned at the cabinet meetings with the helpful guidance of the advisors, Mrs. Edith Mumper and Miss Joyce Hoffman.

The Lutheran Student Association at Marion College is an organization open to all Lutheran students. Its purpose is to strengthen the relationship of the Lutheran students with their church.

The L. S. A. advisors for the past year were Miss May Scherer, Miss Helen Creager and Pastor J. Luther Mauney. Once each month on Sunday evenings the interested group gathered at Miss Scherer's home, "Rosemont," for supper, after which devotions and programs on various religious topics were held.

The regional meeting of the L. S. A., "Little Ashram," was held at a camp on Hungry Mother Lake near Marion, thereby enabling a number of Marion L. S. A.ers to attend this inspired gathering. The Virginia area meeting in Williamsburg was also attended by representatives from Marion.

Through local, area and regional programs and contacts the Lutheran Student Association trained students in a better understanding of the Bible and helped equip them for church leadership.

The Missionary Society, an organization whose main endeavor is to arouse an interest in home and foreign mission work, undertook a study of Japan as its principal theme of discussion for the year. Mrs. Chitose Kishi, a Japanese missionary, brought the students a vivid picture of occupied Japan as it is today. Later in the school year Germany and India were chosen as discussion topics.

During the year members of the Society sponsored a clothing drive. The proceeds from

this project were donated to needy families of nearby communities. This organization sponsored both the Thank Offering and the World Day of Prayer programs for the entire student body and faculty.

Under the capable leadership of its officers and sponsor, Mrs. John H. Fray, members of the Society progressed in spiritual and social wisdom as well as helped those not so fortunate as they.

With much hard work and ready encouragement from the director and faculty, thirty-six students built a Choir of which Marion College was proud. Mr. Marten Neff was director and Janet King was accompanist.

In the spring the Choir went on tour to numerous localities, among which was Gettys-

To students who have not previously been "world conscious," the International Relations Club has been instrumental in bringing about a lively awareness and better understanding of world conditions. Membership into the Club, sponsored by the Carnegie Endowment for International Peace, was based on an interest in international problems.

Monthly meetings were vitalized through the use of outside lectures, timely movies and student forums. The Club also presented a radio program over WMKV describing the lot of women in various foreign countries. These arousing programs and activities, planned by the officers and their capable sponsor and advisor, Miss Edith Hoover, were both educational and recreational.

"To promote scholarship, to develop character, and to cultivate fellowship among the students of both sexes of the junior colleges of the United States of America" is the purpose of Phi Theta Kappa, a national honor scholastic fraternity for junior colleges. Membership in the Delta Beta Chapter at Marion College is considered the highest academic honor a student can attain.

Gilbert T. Perkins became eligible for membership at the end of his junior year and

was admitted in November. In February, Alice Carr, Betty Jean Stockwell, Lois Arentz, Peggy Ford and Janet King were admitted.

On Sunday afternoons Phi Theta Kappa members supervised the library for the convenience of the students, and sold school supplies during the year as a further service. This fraternity has established itself as the outstanding leader in scholarship on the campus.

The students honored with membership this year were: Betty Bagwell, Ann Duncan, Lillian Meek, Betty Mae Yowell and Gilbert Perkins.

# French Club

LUPITA RUBIO *President*

The French Club, which was newly organized in the fall, consisted of approximately twenty members. Meetings were held once a month in the parlors at which time French songs were sung and quizzes and skits presented. Each member was required to speak in French. If she did not, a two-cent fine was charged for each incorrect sentence spoken if she were a second-year French

student, and a one-cent fine if she were in her first year.

A program of French Christmas carols and a skit, "The Three Bears," were presented in chapel by members of the French Club. Under the guidance of Miss Helen Creager, advisor, this newly organized club became a successful organization at M. J. C.

# Cheerleaders

This year a highly spirited group of cheerleaders supported the "varsity" and "purple and gold" teams throughout the year. By cheering at every home game and traveling to Virginia Intermont, Roanoke and Emory and Henry, they upheld the spirit of "Ole M. J. C." In victory or defeat they were

always on hand to offer encouragement with their enthusiastic cheering. Heading the spirited squad this year was Bunny Butler, assisted by Nina Molzahn, Charlotte Breeden, Pat Robinson, Tyler Shawver and Betty Grissom.

"October's bright blue weather" found the Purple and Gold teams eager for a try at the coveted Hockey championship. Under the capable direction of Miss Sophie Fischel, the girls practiced diligently in the nippy air in preparation for the first game.

Finally the long-awaited day arrived, and the teams and their supporters gathered on the field for the first game. Both teams were

so equally matched that neither was able to score, and the contest ended in a tie. After two other games resulting with the same score, points for the color cup were divided equally between the Purple and Gold teams, making the race even closer for the prized cup.

The Varsity team played three games—two with Virginia Intermont College in Bristol and one with Roanoke College in Salem.

Early in December those interested in basketball came out for daily practice. Soon we had a well-organized team and a Varsity of eighteen.

Under the expert direction of our coach, Miss Sophie Fischel, the basketball team of 1950 made this season an eager and lively

one for the students and faculty of Marion College.

Some of the most enthusiastic games were played between the Purple and Gold teams. These games kept the students in suspense from beginning to end. In both the intramural and the Varsity games our girls played with the best of sportsmanship.

## Tennis

Tennis enthusiasts could hardly wait for the first warm days of spring to get out their rackets and brush up on their serves and drives. Even the beginners, under the skillful direction of Miss Fischel and her student helpers, were soon delivering backhand smashes with ease.

For the first time at Marion College, tennis took the rank of a major sport. In addition to the Purple and Gold tournament, a Varsity team was formed and intercollegiate matches held. This progress is one step in the development of sports activities as a vital part of Marion College life.

# *Softball*

"You're out!" "Safe!" "Home run!"

These were familiar cries on the athletic field those hot days of late spring. Players almost forgot the heat in their intense efforts to "hit a home run for the team."

Softball, like tennis, became a major sport at Marion this year, and the enthusiasts of this all-American pastime went into the games with all the spirit of Big Leaguers.

Under the guidance of Miss Fischel, the Varsity team was formed, and intercollegiate games were the stellar attraction at M. J. C. during the softball season, not to mention those all-important Purple and Gold contests. Both players and spectators were glad that softball was high on our ever-broadening sports curriculum in 1950.

## *Minor Sports*

As the November chill turned into December snow, the Gold and Purple teams turned their attention from the hockey field to the "gym" and minor sports, and enthusiastically competed for points toward the coveted cup which was later awarded to the winning team. Rivalry was keen in ping-pong, badminton and other indoor sports. The

contests were close and always exciting to participants and spectators.

As the weather grew warmer, the two teams again took to the outdoors where archery took the minor sports spotlight. By this time points were so equally divided between the two teams, and competition so keen, that it was anyone's guess as to the outcome.

## *The Marion Ideal..*

*. . . is to care for what is rather than for what seems; to be loyal to what is best in the traditions of the past and yet open to the discoveries of the present and the hopes of the future; to find freedom in knowledge of the truth, beauty in the common sphere of daily living; joy in love and friendship, and strength in constructive service; to play happily and work honestly; to believe in God and God's children, and to serve where service is most needed.*
